

# Thank you for your Cooperation

Thank you to all our local businesses, for all you are doing to help us get through these extremely tough and trying times. We at the Yuba City Police Department are doing all we can to protect your business, especially if you were forced to close because of the Governors Executive Order. Through increased patrols and awareness of closed businesses, we will be there for our community.

We need and appreciate your support, to get through this pandemic, as a community, together. Businesses that are not deemed essential, the 14-page list can be found at <https://covid19.ca.gov/img/EssentialCriticalInfrastructureWorkers.pdf>. Non-Essential businesses need to close and remain closed until the order is no longer active or is revised in some form.

Most of our local businesses have complied with the order and we thank you. For those of you who are not getting the message, we will be attempting to gain compliance, through education. In the latter half of this week we will be setting up enforcement procedures, to ensure compliance of this order. This will consist of a dedicated officer to respond to businesses who are out of compliance, along with a dedicated hotline.

## ESSENTIAL

The following is a list of sectors that have been identified as an Essential Critical Infrastructure Worker by the State Public Health Officer.
