As a cost saving measure, closure of the GAP for five (5) months during the fall/winter was included as part of the annual budget adoption for FY 2019-2020. At the September 3, 2019 Council Meeting, Council requested an update from City staff) on the following:

- Meet and provide information on the possibility of a “satellite club”.
- Discuss a Recreation Program that allows FRAC to continue use of the pool until their 501(C) 3 status is resolved (attached are two (2) proposals).
