Subject: Bargaining Unit Modifications and Salary Schedule Changes in the Police Department

Recommendation: Adopt a Resolution approving:

A. Modifications to the Police Sworn Mid-Managers unit to receive the Administrative Manager unit from the Mid-Manager unit, and approval of a side letter with both affected units

B. Modifications to the Police Sergeants unit to receive the Communications Center Coordinator and Records Supervisor from the First Level Managers unit, and approval of a side letter with both affected units

C. The retitling of the Communications Center Coordinator position to the title of Communications Center Supervisor

D. The amendment of the salary schedule to establish and set the salary for the Records Supervisor and acknowledge the new Communications Center Supervisor title

E. Acknowledge name changes of (1) the Police Sworn Mid-Managers unit to the Police Mid-Managers unit, and (2) the Police Sergeants unit to the Police First Level Managers unit; and recognizing these newly-named units for purposes of bargaining and representation

F. Authorize the Finance Director to make the appropriate budget adjustments from unallocated general funds

Fiscal Impact: Potentially \$7,056 each for the Administrative Manager and Communications Center Supervisor positions. The Communications Center Supervisor is eligible for \$6,864 in longevity pay. The Records Supervisor's salary was included in the FY22/23 budget. The total fiscal impact is \$20,976.

Purpose:

To approve bargaining unit modifications and salary schedule changes in the Police Department. The

bargaining unit modifications are: the Mid-Managers and Police Mid-Managers side letters adding the Administrative Manager to the Police Mid-Managers, First Level Managers and Police First Level Managers side letter adding the Communications Center Coordinator and Records Supervisor to Police First Level Managers. The Police Sworn Mid-Managers are retitled to Police Mid-Managers and the Police Sergeants are retitled to Police First Level Managers. The salary schedule changes are to retitle the Communications Center Coordinator to Communications Center Supervisor, and set the salary for the Police Records Supervisor.

Council Priority:

Public Safety

Background:

Historically, the Administrative Manager has been included in the Mid-Manager bargaining unit. The Communications Center Coordinator has been a member of the First Level Manager Unit. During the FY 22/23 budget process, the Lead Records Clerk position was reclassified to a Records Supervisor and the salary for this position needs to be established. Having these positions in units that are not part of bargaining units within the Police Department has been problematic. It creates a sense of inequality and creates a hardship when department members promote to an advanced position. For example, if a Police Records Clerk were to promote to Records Supervisor in July of any given year they would have to switch insurance providers, as the Police Officers' Association and First Level Managers have different health insurance options. This is also problematic when individuals promote into the aforementioned positions, as they also lose longevity pay. Because of these differences, staff recognizes at some point the department will have problems finding internal candidates for promotions due to the loss of significant benefits.

Analysis:

With the addition of non-sworn personnel to both the Police Sergeants bargaining unit and the Police Sworn Mid-Manager bargaining unit, staff is recommending those bargaining units be retitled. Staff recommends the Police Sworn Mid-Managers be retitled to the Police Mid-Manager bargaining unit. Staff also recommends the Police Sergeant bargaining unit be retitled to Police First Level Manager bargaining unit. The bargaining units affected by these recommended changes have all agreed to them.

The moving of the aforementioned positions into the corresponding bargaining units will ensure equity amongst all employees of the police department. Staff has evaluated all options and determined that this recommendation is fair and reasonable for both the impacted employees and the City. All impacted bargaining units have been consulted with and are agreeable to the transitions. Since the Communications Center Coordinator position is being proposed to be placed in the Police First Level Managers bargaining unit, staff is requesting a title change for this position to Communications Center Supervisor as this will ensure that all positions assigned to the Police First Level Managers bargaining unit are recognized as Supervisors.

The Police First Level Manager bargaining unit will include the Communication Center Supervisor and Police Records Supervisor salary schedules. As the Communication Center Supervisor job classification is a title change only, the salary schedule will remain the same, but with the new job title. As noted above, since the Police Records Supervisor position was created as part of the FY 22/23 budget, the proposed salary schedule is as follows:

	1	2	3	4	5
--	---	---	---	---	---

JCN	4,635	4,867	5,110	5,365	5,633
6106	26.74	28.08	29.48	30.95	32.50

	1	2	3	4	5	6	7	8	9
JCN	4,635	4,751	4,867	4,989	5,110	5,238	5,365	5,499	5,633
6406	26.74	27.41	28.08	28.78	29.48	30.22	30.95	31.73	32.50

The above changes shall become effective October 22, 2022.

Fiscal Impact:

Potentially \$7,056 each for the Administrative Manager and Communications Center Supervisor positions. The Communications Center Supervisor is eligible for \$6,864 in longevity pay. The Records Supervisor's salary was included in the FY22/23 budget. The total fiscal impact is \$20,976.

Alternatives:

Do not allow the realignment of the positions and direct staff to evaluate other options.

Recommendation:

Adopt a Resolution approving:

- A. Modifications to the Police Sworn Mid-Managers unit to receive the Administrative Manager unit from the Mid-Manager unit, and approval of a side letter with both affected units
- B. Modifications to the Police Sergeants unit to receive the Communications Center Coordinator and Records Supervisor from the First Level Managers unit, and approval of a side letter with both affected units
- C. The retitling of the Communications Center Coordinator position to the title of Communications Center Supervisor
- D. The amendment of the salary schedule to establish and set the salary for the Records Supervisor and acknowledge the new Communications Center Supervisor title
- E. Acknowledge name changes of (1) the Police Sworn Mid-Managers unit to the Police Mid-Managers unit, and (2) the Police Sergeants unit to the Police First Level Managers unit; and recognizing these newly-named units for purposes of bargaining and representation

Article 7 - Work Schedules

1. FLSA 207(k)

The City has adopted the Fair Labor Standards Act (FLSA) 207(k) exemption with a 14-day work period. Employees will work a 14-day work period consisting of 4-11s/3-11s workweeks. Sergeants working in the Traffic Division or Detective Division will work various hours as determined by the department, with the same entitlement to overtime. An additional 9-hour shift will occur approximately every 3rd work period for purposes of training activities.

Assigned work schedules may be changed at the sole discretion of the Police Chief subject to written notice to the Sergeants for an opportunity to meet and discuss no less than 30 days prior to implementation.

2. Sworn Overtime

Subject to the limitations below, Sergeants are eligible for overtime compensation. All paid time shall count as hours worked towards the calculation of overtime with the exception of sick leave. Overtime compensation is paid at time-and-a-half an employee's regular rate of pay.

Contract overtime occurs when an eligible employee works hours beyond their regular daily, assigned shift (for example: beyond 11 hour patrol shifts or 9 hour training shift) or when an eligible employee works additional hours on their scheduled days off (for example: a fifth 11-hour shift within a 14-day work period). The recurring 9-hour training shift will be compensated at the base hourly rate, not at the overtime rate unless the total hours worked exceed 86 for the 14-day work period.

Sergeants who use sick leave in any 14-day work period are ineligible for shift overtime during that particular period until the number of overtime hours actually worked exceeds the number of sick leave hours used in that 14-day work period. This means that if a Sergeant calls in sick for a regularly scheduled 11-hour shift, then the Sergeant will not be eligible for overtime unless and until the Sergeant works more than 11 overtime hours (i.e., by working past the end of a daily shift or by working an extra shift) during that 14-day work period.

"FLSA overtime" occurs when an employee actually works (i.e., not counting paid time off) beyond the maximum number of hours in the applicable work period (i.e. beyond 86 hours in the 14-day period.) Contract overtime hours that also contribute to FLSA-overtime for a given work period are paid only once at the premium rate. For example, if an employee regularly scheduled to work 4, 11-hour days Monday through Thursday works 11 hours on Saturday, the 11-hours of "shift" overtime also count as 11 hours of FLSA overtime, and thus are paid as overtime only once (i.e., a total of 11 hours of overtime for that week).

Hours worked on City-approved shift trades do not factor into any of these overtime calculations.

3. Non-Sworn Overtime

Employees who work in excess of forty (40) hours in the designated 7-day work period, receive overtime at a rate of one and one-half (1.5) times their regular rate of pay. All paid time counts as hours worked towards the calculation of overtime with the exception of sick leave.

Article 8 - Compensatory Time Off

1. Maximum Accumulation

Employees may accumulate a maximum of eighty (80) hours of Compensatory Time Off (CTO).

2. Maximum Cash Out

Upon written request, employees will be paid for up to 40 hours, per fiscal year, of CTO. Payment will be at the earliest payroll period. The City, at its option, may reimburse employees up to forty (40) hours of CTO at the end of any fiscal year. Any additional employee requests are subject to the approval of the Police Chief or designated representative.

3. Doctrine of Constructive Receipt

The parties will meet and confer during the term of this agreement to resolve any potential issues involving the doctrine of constructive.

Article 9 - Deferred Compensation

Article 11 - Leave Donation Program

While an employee is utilizing any such donated hours, the City will continue to pay its portion of the contribution to the employee's health, dental, vision and life insurance premiums in accordance with the applicable Memorandum of Understanding. The maximum is 30 calendar days of catastrophic leave or until Short Term Disability (STD) starts.

Article 12 - Counseling Memorandum

The attached policy on Counseling Memos (Appendix C) remains in effect.

Article 13 - DMV License Examination

Physical examinations for Police Sergeants who are required to maintain a Class A or B California driver's license as a job requirement shall have the expense paid by the City. Employees may elect to go to their own personal physician or to the medical center designated by the City. Employees electing to go to their own personal physician shall be reimbursed upon submission of an itemized receipt to the Human Resources Department. The maximum amount eligible for reimbursement is the amount the City has contracted for with the designated medical center.

Article 14 - Short Term Disability

1. Waiting Period

A 30-calendar day waiting period must pass before benefits are payable.

2. Premium

The City sets the STD rates based on outside actuarial; no premium cap shall exist.

3. Benefit

The benefit is equal to 60% of earnings at time of the disabling event; no dollar cap on the benefit exists.

Article 15 - American Disabilities Act Compliance

1. Accommodation

Because the ADA requires accommodations for individuals protected under the Act, and because these accommodations must be determined on an individual, case-by-case basis, the parties agree that the provisions of this Agreement and the Rules may be disregarded in order for the City to avoid discrimination relative to hiring, promotion, granting permanency, transfer, layoff, reassignment, termination, rehire, rates of pay, job and duty classification, seniority, leaves, fringe benefits, training opportunities, hours of work or other terms and privileges of employment.

2. Legal Obligation

The parties recognize that the City has the legal obligation to meet with the individual employee to be accommodated before any adjustment is made in working conditions. The City will notify affected employees of these proposed accommodations prior to implementation.

Verification of need via physician statements will normally be required. The employee must have exhausted, or is

reasonably expected to exhaust, all accumulated leave hours (vacation, sick leave, CTO) in order to receive leave.

Appendix "C" – Counseling Memo Policy

When a department head becomes aware of employee conduct, which requires documentation but does not warrant formal disciplinary action, a counseling memorandum may be issued to the employee. The purpose of a counseling memo is to provide notice to the employee of a deficiency or problem observed, document infractions, and modify behavior.

Counseling memos shall be issued on a standard form used by the City. A copy of the counseling memo shall be given to the employee and a copy shall be maintained in the employee's personnel file for a period of two years. At the conclusion of two years, the employee can ask that the counseling memo be removed from the personnel file. At that time or any time thereafter that it is discovered that a counseling memo exists in the personnel file after two years, all copies shall be removed from any file maintained by the City, including the department or supervisor, and given to the employee. No future reference to the counseling memo will be made in a subsequent disciplinary process or performance evaluation. However, should an employee receive a subsequent counseling memo, or other disciplinary action within the two year period, a counseling memo shall not be discarded until a two year period has passed in which no counseling memo or disciplinary action has been issued.

During the two-year period the counseling memo may be used by a supervisor to support disciplinary action. The fact that a counseling memo has been issued shall not be referenced in a performance evaluation, however the substance of the counseling memo may be referenced in a performance evaluation if the supervisor deems it necessary.

Counseling memos used prior to the adoption of this Memorandum of Understanding are subject to this policy.
