

City Council | November 21, 2017

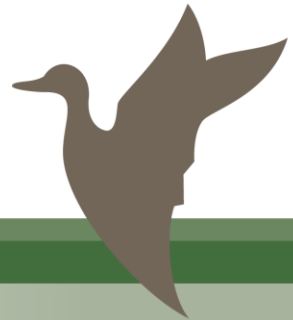

(Item 4) ZC 17-03

- Cannabis Ordinance
- Municipal Code Text Amendment
- Proposal to:
 - Consolidate the City's existing regulations
 - Propose new regulations

(3) History

- **2011:** City prohibits medical marijuana dispensaries (*existing regulation today*)
- **2013:** City adopts an ordinance regulating the cultivation of medical marijuana at private residences
- **2015:** State. Medical Cannabis Regulation Act (MCRSA).
 - State regulatory framework for cultivation, manufacture, transportation, storage, etc.

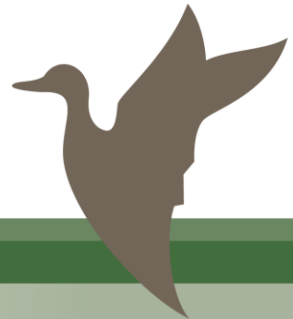

(3) History

- **Nov. 8, 2016:** State; Proposition 64 (Control, Regulate, and Tax Adult Use of Marijuana Act [“AUMA”])
 - Non-medical and recreational
 - Permits the cultivation of up to six plants per home
 - Does not allow the City to completely prohibit indoor cultivation for personal use
- **April 18, 2017:** City adopts an Interim Urgency Ordinance prohibiting outdoor cultivation for personal use & allows up to 6 indoor plants at private residences

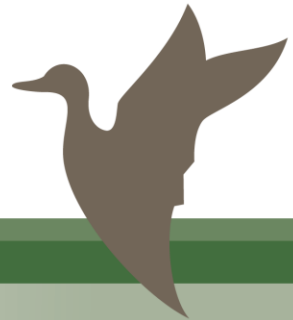

(3) History

- **May 16, 2017:** City extends the Interim Urgency Ordinance
 - Ordinance sunsets on June 2, 2018
- **Today:** City narrowly defines Medical Marijuana and provides criteria for the cultivation of cannabis at private residences

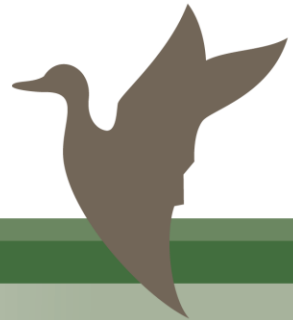

Senate Bill (SB) 94

- On June 27, 2017, Governor signed SB 94:
 - Repealed MCRSA;
 - Amended Proposition 64 to incorporate many of MCRSA's provisions; and
 - Retitled the "Medicinal and Adult-Use Cannabis Regulation and Safety Act" (MAUCRSA)

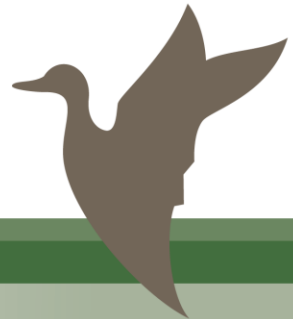

Consolidate existing regulations

- Move existing regulations pertaining to indoor cultivation to a new Code Section
- No change sans new numbering and the term “cannabis” rather than “marijuana”

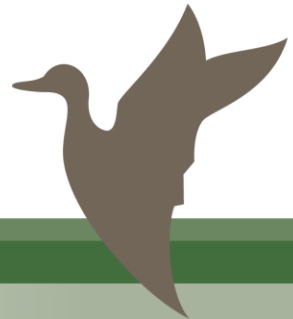

Proposed new regulations

- Proposal to prohibit commercial cannabis activity:
 - Commercial cultivation
 - Sales
 - Delivery
 - Processing, manufacturing, testing

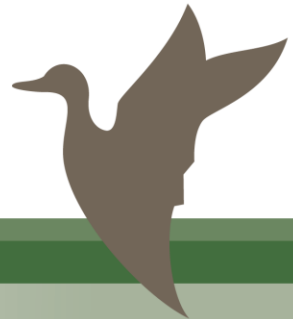

Proposed new regulations

- Pass through clause:
 - While the City is required to allow business operations to “pass through” the City, the proposed ordinance prohibits deliveries in Yuba City of both recreational and medical cannabis.

Recommendation

- Recommend that City Council concur with the determination that the text amendment does not constitute a project pursuant to the California Environmental Quality Act (CEQA) Section 15061(b)(3)

Recommendation

- Adopt an Ordinance regulating cannabis uses, and waive the 2nd reading
- Ordinance will become effective 30 days after its adoption
