# COVER IT! HOW IT ALL BEGAN

## Cover It!

### Mini-Mural Utility Box Project

Yuba Sutter Arts has designed the "Cover It!" program to support art in public places and to enhance the community and neighborhoods through the use of mini-murals.

## Get Involved!

- ⇒ Adopt/Sponsor a box.
- ⇒ Suggest a location for a mini-mural.
- ⇒ Make a suggestion on what to paint on the box.
- ⇒ Submit an application to be an artist.

The "Cover It!" project will enhance the aesthetics of the Yuba Sutter area, promote civic pride, increase pedestrian traffic and extend public art to new areas and unexpected places while creating an attractive environment and allowing art to be introduced to the public in a creative and inventive way. The program goal is to bring beauty to unexpected places through painting utility boxes.
