CCTV Vehicle

- January 2008 - Purchase awarded to WECO Industries
- Original cost \$181,714.28
- Replacement today approximately \$269,000
- Truck and chassis in excellent condition

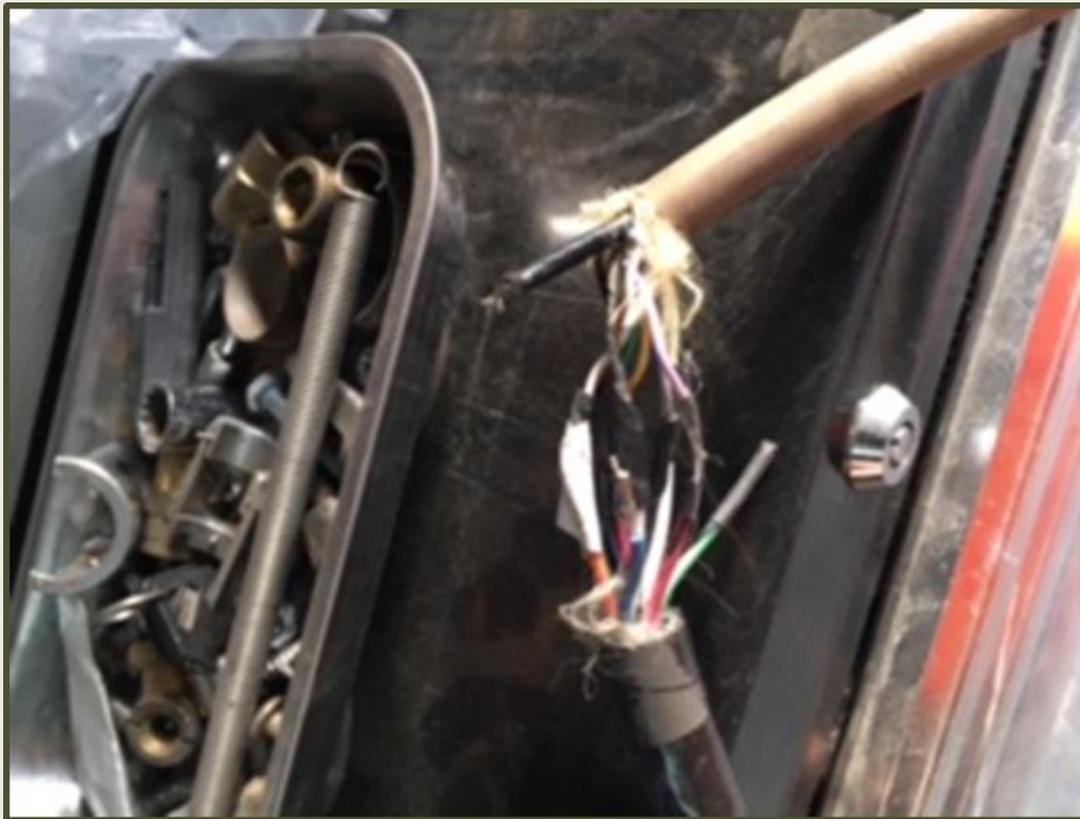

Current Operating System

- Computer system & equipment now obsolete
- Experiencing operational issues
- No longer supported by manufacturer

Damage from Harsh Conditions

Employee Safety Concerns

Retrofit: The Summit System

- Industry standard
- Additional five years
- Cues proprietary system

Recommendation

- Staff recommends:
 - Award the purchase of an upgrade for the existing Cues CCTV vehicle to the Summit System to WECO Industries in the amount of \$51,186.33.
 - Authorize the Finance Director to make a transfer from the Unallocated Wastewater Fund to Account No. 6610-69415 (Vehicle Replacement Fund) and a supplemental appropriation of the same amount, with the finding that it is in the best interest of the City.
